

FortiPhage™

A bacteriophage-based nutraceutical ingredient for gut health

Who We Are

At **Intralytix**, we combine science and nature using bacteriophage technology to develop high-quality ingredients for overall health.

Our Solution

FortiPhage™ is a dietary ingredient formulated with natural lytic bacteriophages. These phages help boost resilience against bacteria commonly associated with digestive discomfort and microbial imbalance.

FortiPhage™ Integrations

Pre-, pro- and synbiotics to support gut microbiota and digestive health

Digestive-support nutrition for pets

Gut-focused supplements promoting whole-body and cognitive health

Women's health formulations

Advantages of FortiPhage™

Non-GMO and 100% natural

Daily digestive health support

Helps relieve bowel discomfort

Replenishes phages naturally in the GI tract

Reinforces the body's natural defense systems

When taken daily, FortiPhage™ supports beneficial bacteria

Try FortiPhage™ Plus — now with added probiotics!
